

Ayush Chauhan

Frontend Developer

ABOUT ME

Hello, I am Ayush Chauhan, a front-end developer based in Noida. I have well versed experience in making Web Apps with React js, JavaScript. Our goal is to create captivating and user-friendly websites with seamless functionality and stunning design. I prioritize responsive design, ensuring your website looks great on all devices.

EXPERIENCE

Ui Cardio, Gurgaon— *Frontend Developer (Intern)*

Feb 2021 - June 2022

- Worked with my senior developers to develop Bootstrap and Html 5 Templates.
- I developed and manipulated themes for our clients with the guidance of my seniors in my team.

SFC Foundations, Chandigarh— *Frontend Engineer*

Sep 2021 - March 2022

- My primary responsibilities involved implementing changes to the event and blog sections of the website.
- I was responsible for ensuring that the design and functionality of these sections were updated accurately and efficiently.

PROJECTS

- **Portfolio Website** - <https://ayushchauhan.in/>

This is my portfolio website. All my projects and services are mentioned there.

- **Whats App Clone**
-<https://dulcet-sopapillas-ed5c60.netlify.app>

(Under Development)

This clone is made in Reactjs, it uses useState Context Api and Firebase for Backend and the messages.Router for switching chats in the chat box.
